Case No. S-0433-1

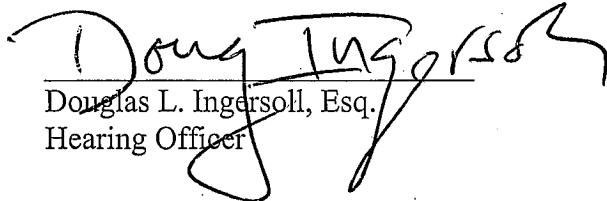

Decision No. 2007-004

Order re: Amendment and Supplement to Unfair Labor Practice Complaint by Philip Wright, Supervisory IV AND SUPPLEMENT TO UNFAIR

On December 1, 2006 the petitioner filed an Amendment and Supplement to his complaint which for purposes of this order is treated as a Motion. The amendment contained in paragraph one is not allowed, as it seeks to add the State of New Hampshire as a party. The State of New Hampshire could have been named as a party in the original complaint and the rest of the required information provided at that time. However, N.H. Admin. Rule Pub 201.04 is not intended as a mechanism by which a complaint can be instituted or filed against a new party. It is intended to allow amendments to pending claims between existing parties of record. This order is without prejudice to the filing of a separate complaint against the State of New Hampshire. The balance of the requested amendments are allowed.

So Ordered.
